LEVERAGING NEWCOMERS' SKILL TO TACKLE LABOUR SHORTAGES IN NORTHERN ONTARIO

Project Need

- Northern Ontario faces a critical shortage of skilled workers
- Aging population and youth out-migration reduce workforce supply
- Newcomers bring valuable skills but face barriers to employment

Objectives

- Document the education, skills, qualifications, and employment experience of newcomers in Sault Ste. Marie.
- Identify the challenges and barriers newcomers face while looking for employment

Partner Engagement Session

Project Activities

- **Sault Newcomer Survey 2026**
- Employer Engagement Session
- Job Developer Engagement Session

Did you move to Sault Ste. Marie after September 2021?
